I'm looking for opportunities to bring my training in interaction design and my experience in visual communications to bear on the information architecture, user experience, and usability of web, mobile, and other interfaces.

work

Toca, LLC
Chicago, Illinois - Spring 2011

Interaction Designer & Design Researcher

Helped a corporate client understand user needs for supply-chain software in the operating room. Performed video research, design analysis, and client workshops; delivered architecture, detailed specs, and wireframe documents.

Navteq
Chicago, Illinois - Fall 2010

Interaction Designer

Designed a template for app developers building location based services for iPad. Led cross-disciplinary teams to get buy-in from multiple departments.

frog design
Austin, Texas - Fall 2010

Interaction Designer

Wireframed and documented a multi-platform system as a contractor in a large design team. Guided development and graphic design work by extending the project's precedents to accommodate new system behavior and page layouts.

CEDIM
Monterrey, N.L., Mexico - Fall 2010

Professor of Digital Media

Led undergraduate students through exercises in ethnographic observation, design analysis, iterative paper prototyping, and interaction design principles.

A Briggs Passport & Visa
Chicago, Illinois - 2008 – 2010

Interaction Designer & Engineer

Created and implemented online business processes to standardize forms and connect multiple offices across the US.

ENGAGED
Chicago, Illinois - 2009 – 2010

Mobile Application – Diabetes Prevention Program

Designed an Android app that uses social networking and persuasive technology principles to help people at risk for diabetes manage their exercise and eating.

school

IIT Institute of Design
Chicago, Illinois - 2007 – 2010

Master of Design – Interaction Design

Top prize in IXDA 2010 student competition; Design Research Conference 2010 Logistics Lead; InsideID (student organization) lecture series coordinator.

University of Texas at Dallas
Richardson, Texas - 2001 – 2005

B.A. – Literary Studies and Fine Art

Magna Cum Laude, Collegium V Honors, Eugene McDermott Scholar
Leadership: *The Mercury* Editor, Student Government Senator

skills

Visualizing concepts – sketching, photography, paper prototypes, and Adobe Suite
Ethnographic research – understanding people and finding user needs
Web programming – CSS, HTML, PHP & MySQL, Java
